Did You Know...?

The Bailey House is one of Waseca's oldest homes, built in 1868.

1 in 10 Americans sell their home due to personal activity.

50% of millennial investors choose to invest in real estate.

The median house price increased by 416% between 1980 & 2020.

1 in 4 renters spend 50% of their income on housing.

U.S. home values have increased 7.2% over the past three years.

A little over one-third of sellers initially try to sell their homes themselves as a "For Sale by Owner" listing. However, only about 10% of sellers actually get their FSBO listing across the finish line; the rest give up and hire a real estate agent.
